

Marine Corps Historic Half

Fredericksburg, Virginia

May 21, 2009

Dear Marine Corps Historic Half Volunteer,

I would like to extend my thanks for your support at the Marine Corps Historic Half Marathon on May 17, 2009 as a dedicated volunteer. The success of this event depends on volunteers like you who give their time and extend goodwill by assisting at the Expo and on the course at water points, food stations, aid stations, information tents and the finish line.

This year, 382 volunteers assisted the nearly 5,000 runners who successfully completed the Historic Half. I commend you for supporting runners throughout the day despite the inclement weather conditions. Your efforts exemplify the Marine Corps ideals of community service and the promotion of health and fitness. The Historic Half is honored to have you as a dedicated volunteer.

Many thanks again for your valuable presence. We look forward to seeing you again next year!

Semper Fidelis,
