PRINCE WILLIAM COUNTY, VIRGINIA • JUNE 12, 2010

Dear Crossroads 17.75k Volunteer,

The phenomenal success of the inaugural Crossroads 17.75k event is a reflection of the ever-increasing dedication and enthusiasm of its volunteers. Thanks to your selfless donation of time and effort, the event was conducted seamlessly and with great outcome.

Crossroads 17.75k was created to honor the history and valor of the United States Marine Corps. With your assistance, the Marine Corps Marathon was able to function with the customary precision and efficiency expected of the Corps.

I would like to take this opportunity to say a heartfelt "Thank You!" We look forward to an opportunity to work with you again next year or at other Marine Corps Marathon events.

Semper Fidelis,

Rick Nealis  
Director
