

Marine Corps 17.75K Returning to Prince William Forest Park

All live finishers will receive 'Access Granted' to 47th MCM

QUANTICO, VA (January 19, 2022) – Registration for the 10th Marine Corps 17.75K opens today at noon EST at www.marinemarathon.com.

The 11.03 mile event begins at 7 a.m. along Dumfries Road/Route 234 in Prince William County on March 26. All live finishers will receive a guaranteed entry or 'Access Granted' to the 47th Marine Corps Marathon (MCM) in October.

This year marks the return of the run to Prince William County, Virginia. After being canceled in 2020, the Marine Corps 17.75K returned to live and in person running in 2021 with a scaled down event aboard Marine Corps Base Quantico due to COVID-19 guidelines.

“We are pleased to celebrate the 10th anniversary of the 17.75K by returning to Prince William Forest Park,” said Rick Nealis, director of the Marine Corps Marathon Organization (MCMO). “After these last two years, we are hoping to bring a bit of normalcy back to our running community by kicking off our live 2022 event lineup with this popular event in a safe manner, while allowing us to still salute the year our beloved Corps was established.”

Registration for this sought-after event is \$65 for runners ages ten and above. Participants will receive a standout finisher's medal, specially designed technical shirt, bib and 'Access Granted' to the 47th MCM. To receive 'Access Granted,' runners must be 14 and older on MCM event day of October 30, 2022.
